Update on Article 36 survey follow-up

Facilitate
strategic
alignment of
EFSA & Article 36
activities

- Earlier identification of EFSA activities for N+2
- Sharing information on activities as early as possible
- Outsourcing task force initiatives

Leaner
application
process &
reduced admin
burden for EFSA
calls

- E-submission for grants
- Avoid repetitive submission of application documents
- Clearer application guidance
- Explanatory webinars with Q&A & video guides
- Review some Terms & Conditions
- Allow more time for applicants

Improved
dissemination of
call information

- Additional info in Scientific Cooperation plan of forthcoming grant & procurement procedures
- Earlier identification and targeting of potential call applicants through use of TIM tool
- Optimization of Competent Organisation Tool to facilitate direct outreach to Article 36 organisations
- Explore use of Scientific Networks for increased outreach

Facilitating
expert
involvement

- Check feasibility of Service Level Agreements with Article 36 organisations to compensate for expert involvement
- Review need of physical meetings, facilitating participation and reducing lost time in travelling
