Agreement under finalization

How Food Safety4EU will provide input for future research needs?

FS4EU Strategic Research & Innovation Agenda (Dec 2023)

How Food Safety4EU will provide input for future research needs?

INCLUDE

01000613

SHAPE

ACT

To continue the ongoing fruitful collaboration on:

- ▀ Sharing the vision/strategy of the Food Safety System of the future
- ▀ Sharing knowledge and links (resources, people, research platform) to foster synergies
- ▀ Advices and input to drive the FS4EU platform towards a permanent science-policy-society interface
- ▀ Support the pathway towards the EU Food Safety Forum
(EFSA in the opening of the 1st pre-forum)

THANK YOU from FS4EU!
