Stakeholder workshop food additives: Transparency and openness

Regulation (EU) No 257/2010 lays down the re-evaluation programme for food additives

Stakeholder workshop food additives: Transparency and openness

	2009	2010	2011	2012	2013	2014	2015	2016	2018	2020
Nr by legal deadline		13			2		33	47	72	14
							Σ 48			
Nr evaluated by EFSA's ANS Panel	7	9	5	6	10					
					Σ 37					

How will EFSA's Scientific Panel on Additives and Nutrient Sources added to Food manage to meet the legal deadlines?

Today's stakeholder meeting: Transparency and openness

Objective:

EFSA wants to engage with interested business operators on the draft food additive re-evaluation workprogramme 2014-2016 and discuss challenges ahead and exploring possibilities of enhancing co-operations.

Thank you for sharing your view for
having a fruitful and open debate!
