

## CLARIFICATION 5

**Call reference:** GP/EFSA/PLANTS/2022/02

**Call title:** Entrusting support tasks in the area of Plant health Risk Assessment

### Question 1

The application for each lot has to be dedicated either to a pest or to a host as is exemplified in table 3 of the Guide for applicants?

#### Answer

The application for each Lot should focus on the Type of activities, Type of plant pests/taxonomy and Type of crops/vegetation indicated, for each Lot, in Table 1, Table 2 and Table 6 of the Call. In particular the documentation to be provided in the application for each Lot is indicated for the Selection criteria in section 2.4 (pages 21-24) and for the Award criteria in section 2.5 (pages 24-30) of the Call.

### Question 2

How the tasks are later assigned by EFSA?

#### Answer

After the signature of the Grant agreements with the successful candidates for each Lot, EFSA will assign the tasks by sending Specific requests, following the procedure indicated in section 1.7 (at pages 11-12) of the Call. Some examples of subjects of specific requests/contracts signed within previous framework agreements are shown in Table 3, in order for the applicant to get an idea of the type of tasks that could be assigned under similar contracts, however this table should not be consider as an exhaustive list but only as a list of examples of possible tasks.

### Question 3

Is an electronic signature acceptable for this Declaration of Honour?

#### Answer

Yes, it is acceptable.

### Question 4

More in general, are electronic signature acceptable for participation in this call?

#### Answer

Yes, it is acceptable.
