

EFSA Public Consultation - Specific Privacy Statement

Title: Draft Protocol for the Scientific Opinion on free sugars from all dietary sources

1. Objective

The objective of this public consultation is to receive the views of stakeholders or people concerned by the topic of the public consultation and to publish them on the EFSA website, under the responsibility of the Head of the Nutrition Unit, acting as the Controller. As the public consultation process implies the collection and limited further processing of certain personal data, Regulation (EC) 45/2001, of the European Parliament and of the Council of 18 December 2000 on the protection of individuals with regard to the processing of personal data by the Community institutions and bodies and on the free movement of such data, is applicable.

2. What personal information do we collect and through which technical means?

Identification Data

The personal data collected and further processed are data necessary for the participation in the public consultation, such as Category, First Name, Last Name, Affiliation, Country, E-Mail, including the contribution on the topics concerned. The processing of personal data linked to the organisation and management of this public consultation is necessary for the management and functioning of EFSA, as mandated by EFSA's Founding Regulation¹.

Technical information

The public consultation is carried out via the European Commission's official survey management tool 'EUSurvey'. The reference installation of the tool is hosted at DG DIGIT of the European Commission and survey contributions are stored in the datacentre of DG DIGIT. For the aspects not covered here, participants in the public consultation shall refer to EUSurvey Privacy statement [here](#). After the closure of the survey, the responsible EFSA staff member downloads from the DG DIGIT workspace in a secure manner a data file containing the survey replies and transfers this file in a confidential DMS folder with restricted controller access

3. Publication of contributions

Comments submitted will be published and may be re-used by EFSA in a different context. It should be noted that the name of individuals contributing in a personal capacity will not

¹ Regulation (EC) n° 178/2002 of 28 January 2002, i.e. recitals 55 and 56 and Article 42

be published. Comments submitted on behalf of an organisation will be made publicly available and attributed to the organisation.

4. Copyrights of contributions

Persons or entities participating in the EFSA Public Consultation are responsible for ensuring that they hold all the rights necessary for their submissions and consequent publication by EFSA. Comments should inter alia be copyright cleared taking into account EFSA's transparency policy and practise to publish all submissions. In case the submission reproduces third party content in the form of charts, graphs or images, the required prior permissions of the right holder should have been obtained.

5. Contact Information

If you have questions regarding the public consultation or concerning any information processed in the context of the public consultation, or on your rights, feel free to contact the Controller, using the following contact information:
